Supplementary Information

The SISTERS OF MARY is a religious congregation of women under the leadership of its Superior General, Sr. Maria Cho. It is a congregation recognized by the Congregation of Religious Institutes in Rome on March 2, 2000 as a Religious Institute of Pontifical Right.

Founder: Venerable Msgr. Aloysius Philip Schwartz (1930-1992)

In a historic event in the process of the Cause of Venerable Msgr. Schwartz' Beatification, a Thanksgiving Mass was held on March 14, 2015 for the proclamation of the Decree on the Heroic Virtues of Venerable Msgr. Al.

Founded on: August 15, 1964

Officially decreed as a Diocesan Religious Congregation on:

ongregation on: March 2, 1993

Declared as Religious Institute
of Pontifical Right on:

March 2, 2000

Countries wherein charity programs for the poorest of the poor are operated and maintained:

Overall Chairperson of the Board of all charity programs:

Headquarters: Sisters

Sisters of Mary of Banneux, Inc. Biga, Silang, Philippines

Korea, the Philippines,

Mexico, Guatemala

Sr. Maria Cho

Brazil and Honduras

Purposes of the Sisters of Mary of Banneux, Inc.

- (a) To establish, operate and maintain a child welfare program for the care and education of underprivileged children, especially orphaned and abandoned children and street children, and to provide a free medical service program for the poorest of the poor;
- (b) To set-up, supervise and maintain a shelter for the destitute and the homeless, the care and rehabilitation of mendicants and the mentally or physically handicapped and shelter for unwed mothers;
- (c) To establish, provide and maintain a medical service program that will extend health and medical services to the above beneficiaries; and
- (d) To devise and maintain other programs to assist and serve the poorest of the poor.

Article 2 of the Constitutions of the Sisters of Mary defines their purpose as following Christ more fervently in prayer and more closely proclaiming the Kingdom of God particularly in doing good to people, concretely in terms of educational/vocational welfare of the underprivileged children or youth, medical care to the sick and the dying, shelter service to the homeless and the helpless.

Biga & Adlas, Silang, Cavite;

Talisay & Minglanilla, Cebu

Religious Sisters

The Sisters of Mary operates and maintains charity programs for child and adult welfare and medical care in the Philippines.

CAVITE and CEBU, Philippines

The charity programs in the Philippines continue to provide temporary shelter and general secondary education with intensive vocational training to boys and girls from the poorest of the poor families aged between 12-18 years old. Out-patient medical care for the poor and the students is provided by the infirmaries. The Sisters of Mary with the Brothers of Christ provide residential care and permanent shelter in Amadeo, Cavite to homeless mentally-challenged men. Out-of-school youth undergo classes in General Trias to prepare them for an acceleration examination to be eligible for a high-school diploma. Technical courses are integrated in these classes to further qualify the graduates for jobs.

In 2012, the Philippines adopted the K-12 curriculum. The curriculum added 2 year levels to the existing 4 year levels. Thus, all campuses reduced their enrolment for incoming freshmen by 30% to accommodate the additional 2 year levels.

Expenditures include operating expenses, administrative expenses and other expenses.

The 3-storey workshop in Adlas was completed this year. The 3-storey workshop has facilities for different trades such as Machining and CNC, Reverse Engineering and Metrology, Automotive, Mechatronics, Electrical Installation and Maintenance, Computer Hardware Servicing, Technical Drafting, Visual Graphics, Computer Laboratories, High Schools and Speech Laboratory. New CNC machines were purchased and installed.

A brand new 500 KW Cummins Generator was installed in Biga campus to replace the old unit that has been servicing the compound for more than 28 years. The transformers hit by lightning needed replacements that required the purchase of 3, 250 KVA distribution transformers. A purchase of 120 units of computers was made for the E-library.

Five Milnor washer extractors were purchased to replace the decades-old units used in Talisay and Minglanilla. CNC lathe machines were purchased and installed in Minglanilla. Minglanilla campus purchased a mini-bus to serve the children's needs.

All four compounds underwent levels of repairs and preventive maintenance in 2015. Most of the buildings in Cebu were repainted. The perimeter fence was renovated in Talisay, Cebu. A roof was constructed at the roof deck in Talisay to save on waterproofing works. Renovation and upgrade of the libraries are on-going. A new Chemistry laboratory was completed this year. Civil works were made to provide pathways, electrical power supply for streetlights in Biga campus. Preventive maintenance works for the electrical distribution in Biga campus were completed this year as well.

Tegucigalpa, Honduras

The Girlstown continues to provide temporary shelter and middle-school education to girls coming from poor families in Honduras. The first batch of middle-school graduates will start high-school in 2015. Expenditures include operating, administrative and other expenses.

The 3-storey workshop was completed this year. Furniture, computer laboratory equipment were purchased. A football court and grandstand were also completed. The original site of the Boystown in Las Uvas had to be abandoned this year. The residents of Las Uvas did not want a school erected in the area and petitioned the court for the termination of the construction. The Government of Honduras indemnified the cost of improvement of the original site. A 9-hectare piece of land in Amarateca was donated by the Arevalo family as the new site for the Boystown. A perimeter fence and a workshop were started on the land this year.

Through the generosity of the people in many places of the world, children and adults are educated, fed, housed, clothed, rehabilitated or healed through the charity programs of the Sisters of Mary. All funds received by the Sisters of Mary are being or will be utilized to promote these services. The service and dedication of the Sisters of Mary make these charity programs continue to benefit only the poorest of the poor and alleviate their sufferings.
